Guest Speakers –

Fred Walker of Poolsafe and Juhli Boyes of SCP San Diego.

Secretary's Report

Minutes were approved after one correction. No correspondence received. Paul requests that address changes be sent to him as well as IPSSA Inc.

Treasurer's Report

We're in good shape financially and the report is in the Skimmer.

Vice President's Report

Prospective members- Ron Baker is at his second meeting tonight and his documents are in order. Jim Bauer, transferring from East County, has not provided the needed paperwork at this point. Nick Castillo is at his first meeting and dropped his information

at Superior. Chuck Innskeep has made three meetings, but is out-of-town on an emergency. He will call when back in town to arrange for the test and interview. Louis Annaboli is at his second meeting and everything is on-track with him.

Chapter supporters – We have received renewal checks from AO Smith, Hallmark and Cheyenne Pools. We have several other chapter supporters due for renewal in July. Jim has his eye on three more chapter supporters.

Speakers – Fred Walker tonight. Fred spoke of his safety covers, which now include the option of flush-mounted tracks for deck retrofits. He also mentioned that the new clutch system does not require sheer pins and keeps the cover from going sideways. Fred also spoke of this involvement in drowning prevention and that most drownings are toddlers. Pat Schuleites won a \$50 Brigantine gift certificate in a drawing of those who filled out Poolsafe referral forms.

Juhli Boyes of SCP San Diego briefly spoke, advising the membership that they have statement stuffers, toy stuffers and that they now sell spas. Additionally, SCP has a program called At Your Service Gold that can help market your business.

Jim Bradbury stated that we ran out of MSDS books, but Tom Gharib got more binders and books to replenish our supply.

President's Report

At the 5/17 Region 7 meeting Question and Answer sessions at chapter meetings were discussed.

Several chapters find these helpful and use different formats to receive questions. Tonight, discussion centered around how often we would have a Q&A session, announcing subjects to be discussed and how to receive questions. John Nichol brought up the topic of employee members and the fact that we charge the full member fee, unlike other chapters. After limited discussion that did not seem to have strong member opinions, this item will be decided by the Board.

As an offshoot of the employee-member fee structure item, participation of employee-members in the Sick Leave program was also discussed. The Board may discuss this as part of the employee-member cost issue.

BK Taylor nominations are due soon and John asked members to start thinking of nominees as well as nominees for the new Board for the October election date.

John Nichol brought up the fact that customers are checking equipment prices and quotes from the Internet that can be at or lower than our costs. While this will continue to happen, we must stress that we offer better service, don't usually charge for shipping and that some of the prices they find may be regional and not available in San Diego. It was also mentioned that some resellers are selling at low prices to get volume discounts or Cash back point program benefits.

Public Rel – Drowning Prevention Unfinished Business

Jon McArthur reported that the Sick Leave Coverage Program Boundary committee had met before the meeting to discuss the issue. The committee wants to at least establish indisputable

boundaries for the membership to vote on. Additionally, the committee is looking into the Zip codes on the north and east sides of our coverage area to see who serves those areas and if the boundaries should be changed. The committee is scheduled to have another meeting in July.

Old Business

New Business

AJ Wilson spoke regarding the NSPI survey that asked reasons why pool service people don't like pool builders and visa versa. NSPI is encouraged to see that builders realize our problems and will continue to work this issue.

Good of the Order

Sell yourself first – you will gain the business if you convince the buyer that you are friendly and confident.

Raffle

Patrick Nevin won the \$200 door prize (including \$50 rollover). Since Patrick was not present, **the door prize will roll over to a whopping \$250 in July.** Bob Reed, \$25
