PRESIDENT'S MESSAGE.

Our Standing Rules and IPSSA Bylaws require that Liability Insurance must cover all persons performing pool service or repairs for Members. There are three categories for Membership: 1) Regular Members 2) Family Members 3) Employee Members. Family Members include your spouse and Minor children up to age 18.

Standing Rule Article II, Section 11.1 states: "All persons hired by an IPSSA Member to perform Pool/Spa service or repairs on a full, part time or casual basis must be covered by Liability Insurance." The penalties for violating this policy are severe. For the "first time you will called to meet with the Chapter Board to explain the violation and will be fined \$250 if you are guilty. If there is a second time the fine is an automatic \$500. And if there is a third time you will be expelled from

IPSSA."

One of our Members violated our policy, appeared before the Board and was fined \$250. I think it is clear that we frown on this activity and do not enjoy taking such disciplinary action. Also, beware if you have employed your kids after they have turned 18 be sure you follow the rules and complete an Employee Application ASAP. This is your only chance to avoid a fine. Also, if you are using "sub-contractors" you must be a contractor yourself and have written evidence that the "sub-contractor" has \$1 million liability insurance.

I believe any service arrangements between IPSSA Members are okay.

Blue Cards are due this month. Be sure to mail them to the Chapter P O Box or turn them in to Paul Grimes at the February Meeting to avoid a fine. The information

you supply will be used to update the information on our Web site. After Paul has updated the Web site he will forward the cards to the Sick Leave Committee. And please be sure the all information is complete, accurate, clear, legible, and sign the form.

I am working on the 2005 Budget and will be informing each Committee Chairman the amount they will have to conduct their responsibilities. Any personal expenses they have conducting IPSSA business should be reported by using the IPPSA expense form for reimbursement. It was recommended and I agreed that we should combine the Continuing Education and Product Testing Committees since they work so closely together. Greater emphasis will be given to educational topics to avoid claims.

The order of the General Meeting Agenda is also being revised a bit to try to gain efficiency and improve the flow of the Meeting. We have noticed that some Members are leaving the Meeting to visit the bar. Some come back and some don't. Some have been bringing their brew back to the Meeting. I prefer that this not be done and if it persists we will take action to prohibit all alcohol from the Meeting room. The sign-in time will fluctuate from Meeting to Meeting so you will not know when it is. It may be the very last thing we do before the raffle. If your number is called and you signed in but you are not there you may be fined for leaving early. Your cooperation is appreciated.

For the good of the order,
Jim Bradbury

General Meeting-Jan 19, 2005

Called to Order: 6:14 p.m.

44 members and 8 guests signed in.

Pledge of Allegiance

Introduction of Guests

Chapter Supporters: Bill Krause of CerRam Kote, David Courey of Pool

Surfacing 2000, Mark Quintero of Aquatic Renovation and new Chapter Supporter Don Wall of the Pool Doctor. Also attending were Gene Kneely of Speers and incoming transfer member Kenny Childs

Secretary's Report

Minutes were approved.

No correspondence received.

Paul advised that Blue Cards are now to be mailed to the Chapter PO Box or handed to Paul at the February General meeting to avoid a fine.

Treasurer's Report

We're in good shape financially and the approved report is in the Skimmer.

Vice President's Report

Prospective members-

Kenny Childs is in the transfer process to our chapter from East County.

Water Chemistry Test

Bill advised that Laval Walker, Terry Wendt and John Mehki will take the test at the February Board meeting.

Chapter Supporters

Bill reported there are several renewals and welcomed and introduced Don Wall of the Pool Doctor as our newest Chapter supporter. Don, (President of the East County Chapter), offers pool construction, renovation, remodeling and repair.

Speakers – Don Wall briefly described his business, The Pool Doctor, which provides all types of pool renovation and construction. Gene Kneely of Speers PVC and Solvents gave a short seminar on how to glue PVC fittings. In general, have a clean cut, remove burrs, check the fit, add primer, glue and twist ¼ turn, hold 15 seconds, wipe excess glue and wait for curing process. Speers provides CPVC and Ball Valves as well.

President's Report

Jim moved directly to Committee Reports to allow time for the Sick Leave discussion..

Committee Reports

Sick Leave

Perry passed out a report with member points. With Chadwick back, this is the first month in a long time without

someone out sick.

Perry stated that most of the problems with the program could be fixed with the use of "Common Sense". The program is set up as emergency coverage, so elective surgery should be planned in advance with Yellow Cards completed and pools in good shape before transferring into the program.

Mark Quintero suggested we develop a service agreement that explains what pool service includes and excludes.

Water Safety/Public Relations/ Blood Drive

John Silcox provided a report showing Chapter blood donors. Thanks to our donors for donating 40 units in 2004 and we urge others to join. The next opportunity is this Sat at 8:00am at DZ Akins for a free breakfast.

Water Safety: John received "Close the Pool Gate, Save a Child's Life" bumper stickers and handed them out to members. The Water Safety Committee was to meet after the General meeting.

Entertainment

Ladd had no report this evening.

Membership

Insurance (Chapter Advisor)

Product Testing

Manufacturer's Rebate

Continuing Education

Stephen Heyer reported that the Pool Buster battery operated vacuum can get corroded connection if water gets into it. Use caution, the unit is fragile. The last issue of the Service Industry News had 2005 seminars listed. Stephen handed reimbursement checks to Bill Peck for attending NSPI and Jon McArthur for the Aqua Show. The Table Top show attendance was pretty good.

NSPI is now APSP (Association of Pool & Spa Professionals).

Sick Leave Discussion

Jim Bradbury wanted to bring this issue to discussion as 5 members

(Continued from page 3) were out sick in 2004. Tonight's discussion is to solicit ideas, complaints and problems in an effort to improve this important program. Comments included: • Get your Yellow cards up-to-date. • Sick member and servicing member should make all efforts to contact the customer verbally. • Elective surgery should be scheduled in advance for a smooth	transition. • Leave your pools in good shape so the customer won't quit. • If the pool is bad or has inoperative equipment contact the Sick Committee. • Suggestion for cards in the timer boxes to verify servicing. (not supported by members present) • The Sick Committee is busy, do what you can to solve the problem.	• Communications are key to the program's success. • Doctor's notes required to start and stop coverage. • We are protecting another member's business. • Don't rely on rumors. • Chemicals can be charged to the sick member after 4 weeks. • You must declare employees. • Blue cards now go to Paul, (Continued on page 5)

(Continued from page 4) Grimes or mail to the Chapter PO Box. They are to be completely filled out and legible. • Answering machines should broadcast the company name. • Copy the Yellow cards (front and back) of pools you service to verify service. Paul Grimes read his potential changes to the Sick Leave Policy. Tom Gharib made a motion to include the proposals in the February Skimmer. Unfinished Business Old Business New Business Good of the Order Raffle Joseph Lerma, \$50 door prize (not present and will roll over to February).. Ladd Carlson, \$25 Meeting adjourned: approximately 8:30pm Board Meeting-Feb. 02, 2005 Called to Order: 7:00 p.m. Filippi's, Kearney Mesa. Attending - Jim Bradbury, Geoff Conradi, Paul Grimes, Jim Hines, Perry Mediate and Tom Richardson. Secretary's Report Paul advised that Blue Cards have been coming in at a slow rate. He will provide something on the front of the February Skimmer that advised the member that his card has or has not been received. Treasurer's Report Geoff advised that Bill brought in a	lot of money from Chapter Supporter renewals. The Benevolent Fund payment was taken out of our January electronic transfer from IPSSA. The 2005 budget is in process based on experience from actual 2004 figures as a guide. President Bradbury will be doing the initial review. Vice President's Report Bill Peck: advised that Kenny Childs of the East County chapter had been interviewed and passed the chapter test for transfer to our chapter. Bill received 3 Chapter Supporter checks and 3 or 4 more are enroute. President's Report Jim will be working on the 2005 budget which will use 2004 figures to help formulate 2005 numbers. Jim will write a memo to all committees asking for a 2004 report, accomplishments and 2005 projections. Jim ordered updated "Policies and Procedures". Jim read from the IPSSA insurance claims report. Most are stupid mistakes and the report will be forwarded to Bob Fowler. The Entertainment Committee will be asked to pursue Chapter Supporters for financial support of our May Dinner meeting. Those who donate will get time to promote their business. Jim is to advise IPSSA that the backside of our Yellow Cards provides vital information. The request will be to have the back page become IPSSA policy.	At the January General Meeting Paul Grimes proposed several changes to the Sick Leave Policy and a motion to provide these in the February Skimmer was made by Tom Gharib and approved. However, after discussion of several other potential changes, President Bradbury decided to take these and other potential changes discussed this evening in front of the Standing Rules Committee for review. If you have additional proposals, please forward them to Jim or Paul Grimes. Discussion of Sick Leave Coverage for Tom Richardson: The Board was joined by the Sick Leave Committee and Tom Richardson to discuss problems with coverage for Tom's shoulder surgery and long recovery. Jim Hines outlined some of the problems including late Yellow cards, poor condition of pools and an uninsured employee of Tom's. After the discussion, Tom was excused for Board discussion. The Board saw Tom's willingness to increase participation in the Chapter. He was fined the maximum for a first offense of not covering an employee. COMMITTEE REPORTS None Unfinished/Old/New Business Meeting adjourned: 10:45pm.
