Location TBA

5/5 B.O.R.D. Mtg., Hilton Austin, Austin, TX

5/17 General Meeting, 7 pm
Dinner Meeting, Trophy's

5/20, Blood Drive 8:00 am
Antique Row Café, Lemon Grv 3521 Lemon Grove Ave

7/11 Region 7 Board, 7p, SCP

8/5 B.O.R.D. Mtg., San Diego

PRESIDENT'S BRIEFS.

Well, we still have sick leave pools to cover and new sick leave and standing rules to give to you at our meeting on April 19th. We have always emphasized the responsibility of providing extraordinary service when assigned to a sick leave pool and I thank all of our members who are doing an excellent job. I recently spoke to Jim Hines and Perry Mediate, our sick leave committee chairs, and am very impressed with their expertise in assigning pools and working through any problems that may arise.

Jim Bauer and I attended the Region 7 Board meeting this week and all attendees were very impressed with our member directory. They hope to do a complete Region 7 directory sometime soon. John Silcox was at the meeting and reported on our Water Watcher program. We are lucky to have such a qualified, dedicated member to represent our chapter.

I would like to thank Jon McArthur

and Carlos Grosselfinger for being the greeters at our March General meeting.

Look for the coupon in this issue of The Skimmer and bring it with you to the meeting to be eligible for a 50# bucket of 3" tabs. Don't forget to say hello to someone you don't know at our April meeting - see you all there!

Mike Gregg, President

Directory Changes

General Meeting-Mar 15, 2006

Kings Inn – Mission Valley

Called to Order: 7:02 p.m.

46 members signed in and at least 16 guests were in attendance.

Greeters: Longtime member Jon McArthur and new member Carlos Grosselfinger.

Pledge of Allegiance

Early Bird Raffle

Those who had signed in at 7:00pm were in the Early Bird Raffle, five cases of chlorine from Pool Water Products were won by Phil Gardiner and Xtreme Clean was won by others.

Introduction of Guests

Chapter Supporters: David Courey of Pool Surfacing 2000, Kenan Sachs of American Leak Detection, Lisa Helm of First Investor Corp, Bill Krause of CeRam Cote, Brandon Chase of SunChaser Solar, Dr. Patrick Rardin of Foundation of Health Chiropractic and Tony Ruf of BriteTile. Also attending: Juhli Selby of SCP, Michelle Howard of Suntrek, Pete of XtremeClean, Don of Poolsaver, Ed Ainsworth of PWP plus prospective members Steve Kincaid, Nick Nathan, Rob Gibson Heong Tea and Will Oldakowski.

Chapter Supporters came to the front of the meeting room and introduced themselves. David Courey stated that Pool Surfacing 2000 now offers a pebble finish product.

Secretary's Report – Paul Grimes

Minutes were approved.

No correspondence received.

Apparently a couple of members Chapter Directories were lost in the mail. Those members were given another directory.

Several members requested a second Chapter Directory, which the Board priced at \$10. We have a limited supply.

Treasurer's Report – Jim Bauer

We're in good shape financially and the approved report is in the Skimmer.

V.P. – Mark Curran

Prospective members

Steve Kincaid, Nick Nathan, Rob Gibson, Heong Tea and Will Oldakowski are in the member process.

President's Report – Mike Gregg

Mike spoke about the recent meeting of all Past presidents. That meeting had a good discussion of ideas to improve Chapter function and encourage members to attend more

meetings/events and get to know each other better. The beginning of the greeter program came out of this meeting as did the name tags we have tonight.

Many of us receive phone calls from potential clients. Remember you are representing IPSSA as well as your company and inquire where the person got your phone number. It could be from another member, our referral website – the answer might surprise you.

Sick Leave

Jim Hines said that Loren Jarvis will be returning this week and requested members to please finish this week's service.

Continuing Education

Stephen Heyer got a good show of hands when he asked who attended the Western Pool and Spa Show in March. Stephen thought the seminars were good, including those by On Balance, which were full. He learned that salt test strips are designed to give a proper reading in 70 to 90 degree water. Stephen checked out both Jandy and Goldline salt systems for differing viewpoint on salt system operations. He also saw variable speed pumps that wholesale price of \$975.

The Friday dinner funded by the Chapter drew 12 members and 2 guests.

Tony Ruf volunteered to test a D.E. backwash "sock" that contains backwash debris. Tony will report on its effectiveness.

Manufacturer's Rebate

Water Safety/Public Relations/ Blood Drive

Jon McArthur reported for John Silcox that the Blood Drive is this Saturday at the new location in Lemon Grove. Jon also has "Close the Gate" bumper stickers for your service truck.

Entertainment

Vice President's Report

Mark Curran introduced our speaker, Lisa Helm of First Investors Corporation.

Speaker – Chapter Supporter Lisa Helm of First Investor's Corporation offered life insurance, investments, retirement planning, IRA, and Roth IRA options. Her company has been in business since the 1930's and has 50 offices. Her office is located in Kearney Mesa (see Chapter Supporter page.)

Insurance (Chapter Advisor)

Product Testing

Unfinished Business

Old Business - New Business

Good of the Order

Bob Fowler told the group he feels it is important to attend seminars and other learning opportunities and to pick up at least one tip. Next year will be Bob's 30th in the pool industry and he said he's till picking up those tips.

The National Plasterers Seminar seemed to come to 3 conclusions, 1.) Plasterers need to improve their product, 2.) Etching appears to be caused by tabs and 3.) Test kits are inconsistent.

Raffle

It pays to attend our General Meetings.

Jay Chadwick, \$100 door prize with rollover (not present, so it will roll over), Geoff Conradi, \$25 prize, Terence Wendt, 50# bucket of Superior tabs, Jim Bradbury 25# bucket of PWP tabs, Mike Gregg and Mark Curran both won 5 cases of chlorine from PWP and Dee Eakright won a Polaris courtesy of Superior Pool Products. Various members won wine from American Leak Detection and Xtreme Clean products. Meeting ended at approximately 8:10pm, when members, chapter supporter and guests mingled.

Board Meeting April 5, 2006

Antica Trattoria, La Mesa

Called to Order: 7:30 p.m.

Attending - Mike Gregg, Mark Curran, Jim Bauer, Paul Grimes, Jim Bradbury and Bill Peck.

Mike started the meeting by discussing the production of the updated Standing Rules and Sick Leave Program. Paul will get complete document layout and bids for printing. The booklets will be distributed at our General meetings and members will sign to receive their copy.

We have two members with delinquent dues. Rules state that members who have been cancelled for non-payment must request reinstatement by the President. One member has failed to do this and will not be reinstated and Mike is waiting for a reinstatement request from the other.

Joe Lukacik is finding a May Dinner meeting location and will decide in a week. Chapter Supporters have been gracious enough to help with funding past annual dinners and we will request their participation again.

Continued from Page 3) The Board will urge a member to pay repair costs to another member who covered his pools while on sick leave. Tom Richardson is going out for surgery on his other shoulder and assures us that his pools are ready for a seamless coverage transition. Mike Gregg and Jim Bauer will attend the Region 7 Board meeting on April 11. Greeters and name tags at our March General meeting helped increase conversation. The April General meeting speakers include Michelle Howard of Suntrek	Solar. Committee Reports – None Unfinished/Old/New Business –None Meeting adjourned at 9:40 p.m. . Latest Committee Reports Sick Leave – Jim Hines Product Testing – Tony Ruf Tony reports the D.E. backwash “sock” worked great. It helps to contain most of the mess. Be sure to velcro the sock around a fitting, the back pressure is high and it will slip off the PVC. I do recommend back washing to a clean out. I will check with SCP for availability. Prospective Member Chair	Chair Bill Peck has advised we have one prospective member, Robert Gibson, ready to be voted on this month. He has met all the requirements, passed the Water Chemistry test, etc and been approved by the Board. We have three others in process. Public Relations, Water Safety - Blood Drive – John Silcox The next chapter blood drive breakfast will is Sat., May 20th. Meet at the Antique Row Cafe located at 3521 Lemon Grove Ave in Lemon Grove at 8am for breakfast. (Continued on Page 5)

Any chapter member or chapter supporter, and their family members are welcomed

Water Safety Pick up a **CLOSE THE POOL GATE - SAVE A CHILD'S LIFE** bumper sticker for your truck at this month's meeting.

Entertainment- Mike Anderson Manufacturers Rebate

Continuing Education -

Stephen Heyer's Report:

Since the last skimmer we've seen the WPSS come and go and the summer is about here.

The deadline for getting your application in for reimbursement of fees for the WPSS is the April general meeting. This chapter had about 12 to 15 members attend and twelve of them and three guests

were at the annual Friday night dinner that the chapter springs for. Those that I saw either at dinner or at the show included: Jon McArthur, Bob Fowler, Bill Peck, Phil & Austin Gardiner, Bob & Shawn Reed, Carlos Grosselfinger, Pat Schultheis, Paul Grimes & Joe Dianna. Also, I saw Marc Stewart & Rodger Weaver on the show room floor. Congrat's to all who attended and achieved smartness nirvana. Several new things were learned, including the fact that most all results of testing the water chemistry can be and probably are different from each other even between the same manufacturers same test kits. For the last month I have been doing between 2 & 3 tests at each pool with different manufacturers kits and comparing the results. Try it for

yourself and see.

The chapter has received a Goldline Salt Chlorinator for our salt test. I have made arrangements to install it on a 33k gallon pool in the North Park area. We should also have some early results/reports on the two models we currently are testing in members' client's pools. I'm still trying to get the manufacturers who promised the chapter free gratis products for testing to provide them forthwith. We await developments. Look inside your new Skimmer for the 2 page full color layout of photos from the WPSS. The question I keep getting is what kind of hull for the chapter fishing boat: wood or aluminum. Let us know soon as the laying of the keel takes place soon. GET SMART!

Javier's Region 7 Director's Corner

Hayward Pool Products - IPSSA's

goal is to have 5,000 members by the end of the year. If we meet that goal, Hayward will donate \$10,000 in Hayward products to the chapter that brings in the most new members or employees. Other manufacturers want to do something similar. Right now Region 2 is in the lead, with six new members.

Chem tests - I will issue the new water chem exams to the chapters. Throw out your old exams or turn them in to me.

R7 meeting location - As you may recall, Juhli Selbi, sales rep for SCP, spearheaded the R7 annual picnic last year and again this year and was responsible for generating

record-breaking donations for the picnic. She has now offered SCP's conference room for R7 board meetings and training. The conference room gives us more privacy than a restaurant. We met there for our April 11 R7 meeting. IPSSA insurance rates rose \$2 per month effective April 2006.

More Region 7 News

Water Safety

John Silcox, IPSSA San Diego chapter, spoke at our April 11 R7 meeting on his attendance at the Fifth Annual National Drowning Prevention Symposium in Fort Myers Beach, FL (see his article in The IPSSAN, "Report from Fifth Annual National Drowning Prevention Symposium," April 2006, page 11). He said he was inspired by organizations that have made significant strides in drowning prevention and overwhelmed by the enormity of the problem of child drowning and the realization that we have a lot of work to do. So what can you do

- Notify your customers of potential safety hazards around their pools.
- Give your customers the IPSSA Water Watcher tag and water safety brochure.
- Distribute at pool retail stores.
- Distribute at community safety events.
- Display the "Close the Pool Gate" bumper sticker on your truck. For more information on drowning prevention, consult the NDPA Web site,

www.drowningpreventionalliance.com, the IPSSA Web site, and links at www.waterwatcher.org. Water Watcher tags and safety brochures are available to IPSSA members free of charge for the first 50 sets on a first-come-first-served basis. Additional pieces can be purchased at the cost of \$35 for a package of 50 tags and \$10 for a package of 50 brochures, plus shipping and handling. Order through the IPSSA exec. office (ipssamail@aol.com or 888-360-9595).
