APRIL

SAN DIEGO CHAPTER MONTHLY NEWSLETTER

2008

## President's Message

Spring is here and the hillsides are blooming. The county is at its most beautiful. Even the areas that burned are greening up. It's nice making a living outdoors while seeing different parts of San Diego on a daily basis. The seasonal changes here are subtle compared to other parts of the country. However the changes are there and are noticeable if one takes the time to appreciate them.

If you haven't been attending our general meetings this year you've missed some entertaining and informative evenings. Mark R. Lane spoke at the January meeting on the topics of Title 20 and the substantial energy savings that can be achieved through the use of Variable Speed pumps. Sal Partida and Lee Bretney from the California Highway Patrol spoke at the February meeting regarding many of the rules and regulations that people in our line of work are required to know, not to mention some of the new laws that go into effect this year. Mary Ann Downing and Keri Tom both spoke at the March meeting. An evening that was focused on child safety and drowning prevention, was very informative, meaningful, and had a big impact on those in attendance. This month we are fortunate to have Tony Arsneault speak at our meeting. He will be discussing the Trans World Systems, Inc. affiliation with I.P.S.S.A. and how their collections department works with I.P.S.S.A. You will be shown how easy it is to utilize their service and how it can benefit your business. Be sure not to miss another informative meeting.

If you would like to discuss a topic at the meeting, be sure to contact me a week before in order to have the item placed on the agenda for that evening. Due to time

constraints prior scheduling of items for the meetings' agenda are necessary. Blue Cards must be post marked by the date of the February and July general meetings or handed to Paul Grimes and only Paul Grimes at the general meetings.

May's dinner meeting is an opportunity for all of us to get together and socialize for a change. No business will be discussed unless a new member is ready to be voted in or out. It is also an opportunity for the chapter to say thank you to our chapter supporters by providing everyone a nice dinner at a nice location at a nice price (zero). Mark your calendar for the May dinner meeting. And if you are a member who has been voted in within the past two years, be sure to arrive early to help prepare the meal and be properly trained to use the facilities' dishwashing equipment following the meeting. Hope to see you this Wednesday.

Mark

## IPSSA introduces pool and spa safety videos

IPSSA has produced water safety videos and posted them on the internet for public viewing. The videos are available on IPSSA.com and WaterWatcher.org websites as well as on YouTube.com.

The 12 videos cover suction entrapment, filter servicing, commercial pools, pool environment, poolside electrics, Water Watcher tags, pool covers, chlorine generators pool fencing and powerful testimonials from Ian Barrow and Yosina Lissebeck, whose children nearly drown.

We encourage all to view the videos.

## New Starbucks Opens In Rest Room Of Existing Starbucks

CAMBRIDGE, MA—Starbucks, the nation's largest coffee-shop chain, continued its rapid expansion Tuesday, opening its newest location in the men's room of an existing Starbucks.

"Coffee lovers just can't stand being far from their favorite Starbucks gourmet blends," said Chris Tuttle, Starbucks vice-president of franchising. "Now, people can enjoy a delicious Frappuccino or espresso just about any time they please, even while defecating."

The new men's-room-based Starbucks, the coffee giant's 1,531st U.S. location, will be open to both men and women when not "in use." In addition to offering specialty coffees from around the world, it will serve freshly baked pastries, Italian pannini sandwiches and soups, as well as the rest room's usual selection of toilet paper and soap.

"This is a great addition," said Jonathan Connolly, a Boston-area banker who tried out the new Starbucks Tuesday. "I was enjoying my usual triple mocha latté in the main Starbucks, and I had to go to the bathroom, where three people were in line to use the stalls. The wait might have been a problem, but, to my great pleasure, there was another Starbucks right there, ready to serve me more delicious coffee. And the baristas were helpful and courteous."

Connolly added that after he finished drinking his coffee and using the bathroom, he stayed for a poetry reading near the urinals.

"I was a little bit worried about the new restaurant cutting into our business," said Dave Grobelkowski, manager of the original Starbucks. "But the only people going there are ones who have already purchased items from us anyway. And if we run out of stirrers or cream, we can just go to the bathroom and borrow some."

According to Starbucks CEO Howard Schultz, the new location represents the beginning of a long-term expansion plan.

"Eventually, Starbucks rest rooms everywhere will sell coffee," Schultz said. "But that ambitious scheme is at least five years down the road. In the meantime, we plan to open an additional location in this Starbucks' ladies' room within months, and are already drafting plans for a fourth restaurant along the corridor leading from the main seating area to the rest rooms. At some point a 'Star-bucks Express' window will eventually open in the walk-in closet of the men's room Starbucks."

"Drink our coffee," Schultz said. "Drink it."

## Board Meeting Minutes

April 2, 2008

Kensington Grill

Mark Curran, Mike Gregg, Paul Grimes, Phil Gardiner, Jon McArthur Jim Bauer, James Morketter

Call to order 7:35 PM

Old Business: Jim Bauer has received some of the Blue Card fines. Members who were fined in regard to Blue Cards have until April 9, 2008 to send in their money, or risk a higher fine.

To be credited, Blue Cards must be sent our chapter PO box or handed directly to Paul Grimes. NO EXCEPTIONS

New Business: Mike Gregg received 100 copies of "Service Industry News." He will bring them to the April general meeting. They are free to all members in attendance while supplies last.

Jon McArthur requested that we place a prominent announcement in the Skimmer regarding the available FNS Plus filters. Jon also wanted an announcement reminding members who have attained 10 education points to send him their completed and signed forms.

We will stop sending money to the G&G Muto Fund as the fund's board has decided to provide scholarships until current funding runs out .

Adjourn 8:50 PM.

# Committee Reports

**Entertainment Committee**

The May dinner meeting is going to be at the Admiral Baker Clubhouse on Wednesday, May 21 at 7pm. The staff at the Riverwalk golf course bumped us for a Kiwanis golf tournament. The folks at Admiral Baker are matching the menu as well as the price we had been quoted. The dinner will be an Italian buffet which should be great. The people at Admiral Baker even waived a \$700 room charge for us. I feel good that we are also supporting a facility that directly helps the recreation fund of our armed forces. I want to encourage any IPSSA members and chapter supporters to join Entertainment co-chairs Mike Lewis and Jim Holmes at 5.30 to 7pm at the great bar there for Happy Hour. The address is 2400 Admiral Baker Road.

Jim Holmes

**Water Safety Committee**

The IPSSA water safety videos are now available for viewing on three web sites; [www.ipssa.com](http://www.ipssa.com), [www.waterwatcher.org](http://www.waterwatcher.org), and [www.youtube.com](http://www.youtube.com). (on youtube, search for IPSSA water safety). As the pools get warmer, we have the opportunity to share important safety information with our customers. Now would be a good time to refer your customers to the waterwatcher web site by including a note on your billing statements the next couple of months. Also, contact the IPSSA administrative office to get 50 free Water Watcher tags and safety brochures to distribute to your customers.
