SEPTEMBER 17TH, 2014
7PM
MISSION VALLEY RESORT
875 HOTEL CIRCLE

The Skimmer

SEPTEMBER SAN DIEGO CHAPTER MONTHLY NEWSLETTER 2014

BK Taylor Award Winner will be decided at the September General Meeting.
Do you want to nominate a worthwhile member? Contact Austin Gardiner

President's Message

Hello everyone,

I hope this letter finds you all well, and your businesses thriving. This summer has been the hottest summer in recorded San Diego history since 1880, which means long days of very hard work for us in this industry. With that in mind, it was pretty good timing for our dinner meeting last month. I enjoyed a chance to take a little break and to get to know a few of you better at the Boll Weevils dinner along with a chance to eat some amazing ribs. Thank you to Pat Nieratko for all the effort to put that dinner together! Thank you to all who attended and made it such a fun night.

Our next general membership meeting will be [September 17th at 7:00 pm](#). At this meeting we will be

deciding our chapter's BK Taylor Award winner. If you would like to nominate someone for the BK Taylor Award, please turn in the proper form by email or mail to Austin Gardiner before our general membership meeting, or bring the nomination form prepared to our meeting. We would like to have multiple nominees if possible. The BK Taylor nominees should be someone who has had a positive impact on our chapter and community through service and help. There are many in our group who have embodied these principles. This is a good time to say thank you to one of them for all they do. We hope to see you at the meeting!

Sincerely,

Austin Gardiner

September Blood Donation Opportunity.

8:00 AM Breakfast at The Lemon Grove Cafe. We will head over to the East County Donation Center in El Cajon immediately following breakfast. For more information call James Morketter (619) 708-4972

**IPSSA San Diego Chapter
Board of Directors Meeting
Sept 3, 2014
San Diego, CA**

7:17pm the meeting was called to order in attendance were Austin Gardiner Pres., Mike Harris, vice president, Tom Graham treasurer, Jim Bauer past treasure

Tom Graham treasurers report - Tom Graham and Jim Bauer are reworking the financial report format and making a digital. There was discussion about the four members that have not paid their fines for late blue cards. Mike Harris vice president's report - The speaker for our next meeting will be Cort ????. There was discussion about a "why IPSSA?" Themed meeting.

Austin Gardiner presidents report - A BK Taylor award winner needs to be chosen by the night of our upcoming general membership meeting. Discussed adding a segment to our skimmer called "better know a

member" in which we will highlight one pool professional from our chapter in order to encourage our community to get to know each other. Brainstorming session regarding 25th San Diego tabletop. Ideas included; requesting Ray Arousty to speak for a session, have an acid wash class, hold a Q&A with someone like Jack's magic or on balance, free T-shirts for all attendees, hold a raffle in which you are entered to win a \$1000 cash prize in return for a \$10 donation to a pool related cause such as drowning prevention or junior lifeguards. Discuss details for upcoming IPSSA picnic in which our chapter will pair up with East County Chapter at Santee Lakes.

8:25 PM meeting adjourned

2014-2015 Equipment Training Series

PENTAIR UNIVERSITY

WHERE KNOWLEDGE IS PROFIT

Gain Technical Expertise that Sells
with Training from Pentair

THE TECHNICAL TRAINING TO MAKE YOU RICH WITH KNOWLEDGE

Take one of Pentair's latest training workshops and you'll graduate with a wealth of know-how. Learn about the latest developments in controls, pumps, heaters, lighting, filtration, water features and chlorine generation. Our experienced instructors, detailed course materials and training aids will give you the real-world techniques and understanding to specify, install, troubleshoot and service today's most advanced pool equipment...profitably.

TOPICS MAY INCLUDE:

- Water features
- Automatic chlorine generation
- Automation
- Basic electrical theory
- Basic hydraulics and equipment sizing
- Chemical automation
- Heater installation and repair
- Heat pump installation and operation
- LED and halogen lighting safety and installation
- Variable frequency drive pumps

WHAT YOU'LL RECEIVE:

A training kit that includes course outlines and manuals, a pen and a specialty tool assortment.

Workshops are offered in one-day and two-day formats. Topics presented at any particular workshop are based on the length of the workshop and regional requirements.

WORKSHOPS THAT EDUCATE YOU FOR MAJOR PROFITS

VARIABLE FREQUENCY DRIVE PUMPS

Our training sessions offer "Hands On" programming of variable speed pumps. Discover how VFD pumps work, how to apply them, how to program for optimal energy efficiency, and why they are the single biggest and most profitable retrofit opportunity in industry history.

BASIC HYDRAULICS AND EQUIPMENT SIZING

Learn how to calculate volume, turnover and Total Dynamic Head in addition to pump and filter selection, plumbing, pipe sizing and system head curve plotting.

AUTOMATED CONTROLS

We offer "Hands On" programming of EasyTouch® and IntelliTouch® Control Systems. We'll take you through an actual planning, designing, and programming project—you'll master the complete process, from scoping and sizing the job to final programming. Learn about our ScreenLogic2® Interface and see how to control a swimming pool or spa with a PC, Mac® computer, iPhone®, iPad®, iPod touch® mobile digital device, or Android™ device.

HEATER INSTALLATION AND REPAIR

Topics include the water, gas, air and electrical requirements for proper heater operation. A new troubleshooting course will guide you through testing the safety circuit so that you can quickly diagnose a heater problem.

BASIC ELECTRICAL THEORY AND LIGHTING

We'll cover the fundamentals of electricity, electrical grounding and bonding, circuit testing and lighting safety, and installation of the industry's brightest and most vibrant LED lighting options.

CHEMICAL AUTOMATION

Learn about Pentair's newest automated chemical control products like the IntelliChem® and IntelliPH® Chemical Controllers.

Other topics may be covered if time permits.

RSVP TODAY!

Class sizes are limited. Receipt of payment guarantees your reservation.

I, the undersigned, waive any and all claims against IPSSA, Inc, IPSSA Management Company, IPSSA Chapters and/or its individual members, arising out of my participation in the IPSSA Sick Leave Program, including, but not limited to claims for lost income resulting from improper maintenance performed by IPSSA members. I have read and understand the standing rules for the Sick Leave Program and agree to participate in that program.
