***Pentair Variable Speed Pump Programming Training Session
Before March 18 General Meeting - 5:30pm Mission Valley Resort

President's Message

Hello everyone!

Not much to report on this month! We have a sick member out, and if you have one of his pools, please remember to do your very best work to represent his business and our chapter as professionally as possible.

April Pool's Day events will be coming up next month. Keep an ear out for future information regarding those. Our chapter may take on a local community pool to help inform the public on water safety.

Remember to purchase a

Pentair filter through the chapter's rebate program. SCP San Diego has several filters left at a discount for our members. You may purchase them at the SCP counter with a check made out to the chapter (IPSSA San Diego Chapter")

All the members of our company will be attending the Western Pool and Spa Show in Long Beach this weekend. We hope to see some of you there! It's always nice to catch up with our own IPSSA folks at these events. Our next meeting will be held on March 18 in our same location, Mission Valley Resort at 7:00. See you there!

Sincerely,

Austin Gardiner
