APRIL

SAN DIEGO CHAPTER MONTHLY NEWSLETTER

2015

## President's Message

Hello everyone!

April is National Drowning Prevention Month! A big thanks to our Secretary, George Ludwig for covering the Coronado pool, and spreading awareness to the many kids and parents that stopped by his booth.

As independent pool business owners, you must wear many hats. You are the face of your business, chemist, accountant, secretary, laborer, marketer, and much more. One job we often overlook is the opportunity to be the safety monitor for our client's family members. If you see something potentially dangerous in one of their backyards, get your client's attention and

let them know your concern. This takes time and effort, sure, but it helps your customers see you as more than just a bill they pay each month. Your effort and attention could possibly be the catalyst that prevents a horrible accident from ever happening. Don't be too busy to be a hero!

Sincerely,

Austin Gardiner  
President, San Diego Chapter
