## President's Message

Hello everyone! I can't believe it's already July. I hope you all had a great 4th of July, and that no work emergencies kept you from celebrating with your family or friends. June was a big month for me with the wedding and honeymoon, and I apologize for my absence at our last meeting. My wife and I were able to enjoy a two week honeymoon, one week of which we were in Alaska on a cruise. We saw some amazing things like whales, icebergs, glaciers, eagles, and went on a lot of adventures off the ship. We were able to ride horses, swim in glacier water, rock climb, zip line, and ride a motorcycle. Thanks to many of you for all of the well wishes for our wedding.

I do want to thank the board for taking such good care of our

chapter while I was only partially available for a month. Now that I am back in the swing of things, I have a couple things to let you all know. It looks like our annual dinner meeting will be held at Hooleys in El Cajon on August 19th! I am really excited about the location change, and we really hope to make it fun for all who attend. We are especially conscious of how busy everyone is in the summer, so we are hoping to make it relaxing, fun, and refreshing. I enjoyed getting to see everyone talking and getting to know each other better at our dinner last year. Please come on out!

As the summer whizzes past us, October is going to be upon us pretty soon. That means a couple of things.

1. Charitable Contribution. Please

be thinking about any organizations you see doing great things in our community. We usually pick a group to fund by looking at who is doing something locally, who is doing something pool related, and who our members are the most excited about supporting. 2. At our mandatory meeting in October we will hold elections. Please consider serving on the board, or in a committee. It has been a relatively easy year and a half for us on the board, but I do know that not all of the board will return for another term. Bring forward any nominations for the BK Taylor and Dave Courie awards before October as well!

Good luck and God Bless!

Austin Gardiner  
San Diego Chapter President

## Note received from John Silcox, who recently retired from pool service

I wanted to take this opportunity to say THANK YOU to the many members and Chapter Supporters that helped me during my 25 years in the pool service business. I received a lot of assistance in both the technical aspect of repairs and maintenance of pools and pool equipment, and with the duties of the various Board and committee positions that I held over the years. As I mentioned at the May meeting, it is because we have members like Jon McArthur, Jim Bradbury, Mark Overman and so many others that are unselfishly willing to share their time, talents and knowledge with others, that we have one of the best, if not THE best chapter, in the best pool service association ! It has been my pleasure to be a part of the San Diego chapter of IPSSA.

Here are some random numbers associated with my pool service career:

400,000 - estimated # of times I knelt down at a pool

200,000 - estimated # of times I counted to 5 for water chemistry tests

12,000 - estimated # of honey bees rescued from swimming pools

100 - approximate # of times I would have over-filled a pool if I hadn't left my truck keys on the hose bib

(Thank you Peat Burke)

35 - # of vacations I took that I did not have to worry about my pool service business

(Thank you Jim Bradbury)

3 - dogs that escaped from yards due to my leaving the gate open

3 - dogs I captured that had escaped (see above)

1 - live opossum rescued from a pool

1 - live rattlesnake removed from a skimmer

1 - live (and swimming !) rabbit rescued from a pool

1 - time bitten by a customer's dog

0 - number of pools over-filled (thanks to Peat Burke)

0 - number of times I stumped Jon McArthur with a pool problem

John Silcox

---

Note: John, we want to thank you for your contribution to the chapter. President 1998-1999, Past President 2000/2001, Table Top Show committee, Blood Drive Chair, MS Walk Chair, Water Safety Chair, Public Relations Chair, Nominating committee. CA contractor and CPR qualified.

Knowing John's involvement, this list may not be complete.
