President's Message

Hello everyone!

The summer has almost broken! I hope everyone has had a safe and successful season this year.

We will be voting on our B.K. Taylor and David Courey Award winners at our upcoming general membership meeting on September 16th. Please use the forms included in the skimmer and on the website to fill out a form to nominate someone. The B.K. Taylor Award winner is a chapter member that exemplifies extraordinary service to our fellow members, his or her community, and the industry. The David Courey Award goes to an individual with similar traits, but they must be a chapter supporter. For more info on the history of these awards and a list of winners, please look on the website.

We have our end of Summer San Diego Chapter Picnic coming up! It will be held on Saturday September 26th at Admiral Baker. Please view the attached flier for more details. It is going to be a great time, and you are highly encouraged to bring your family! There will be games, great food, awards and raffle prizes. Many thanks to Samantha Larimer, George Ludwig, and Cynthia Wilson for their assistance in helping out with this event, and to Pentair, Hayward, Life Deck, Blue Moon, L & L Lines, American Leak Detection, SCP, Sun X, and Hasa for their generous donations for the giveaways, food, and lawn game prizes.

Lastly, I want to thank Mark R. Lane for his separate donation of 2 Intelliflo pumps from Pentair. The purpose behind the donation is to raise money for Krista Hudson's fight with cancer. Krista is a previous employee of Pool Surfacing 2000.

The pumps will be sold to our chapter members, first come first serve for \$1000.00 apiece. If you would like to be involved in helping turn these pumps into funds for Krista, please contact me by email (austingardinerps@hotmail.com) or phone (619) 277-5359 to claim them. Again, they are first come first serve, and there are only 2 of them, so please contact me quickly if you would like to be involved.

Thanks to Pat Nieratko and Mike Anderson for putting together a great dinner meeting last month! It was very encouraging to see such a great turnout, and to see people talking, and enjoying each other's company. That's what it's all about! Hope to see you at the upcoming meeting and picnic. Have a great month!

Sincerely,
Austin Gardiner

IPSSA, SAN DIEGO CHAPTER
DAVID COUREY MEMORIAL AWARD

Nomination Form

History: David Courey was a long time Chapter Supporter of the San Diego IPSSA Chapter. David set the standard, a very high standard, for what constituted being a Chapter Supporter. He attended almost every Chapter general meeting. He involved himself in all of the charitable activities that the Chapter participated in; like the MS Walk, the blood drive, IPSSA information booths at a variety of fairs, and donated a large amount of food each year for the summer picnic, then volunteered to cook it.

Award: Since David's passing, the Chapter decided to honor a worthy Chapter Supporter, who exemplifies David's efforts, with the annual David Courey Award. The recipient should have demonstrated over the past year similar involvement with the Chapter following the example set by David. The award winner, should any be nominated, will receive a plaque and a second perpetual plaque will be on display at San Diego Superior. Should multiple Chapter Supporters be nominated, a vote at the mandatory October meeting will decide that year's winner.

Procedure: Each chapter member is eligible to nominate a current Chapter Supporter for this award. In order to nominate a C.S. the form must be filled out. The President just needs to be informed prior to the meeting via phone or e-mail of the intent to nominate (for agenda purposes). No nominations will be taken from the floor unless the form has been filled out and prior notice has been confirmed.

From Julie Courey:

It has been 6 years since Dave has been gone. I am in the process of refurbishing the area in my home that had been Dave's office. It served Dave for 18 years!

I'd love to GIVE the desk, hutch and chair to someone in IPSSA that could find it helpful to their business. It could be reconfigured from the current set-up if that allows the individual to better accommodate its size.

Many thanks,
Julie Courey juliecourey@pacbell.net

Measurements are:

13.5' across the back wall

10' on the upper hutch side

The horseshoe desk measures 6 ft from the wall and is 2.5 ft across

I'm quite sure that it could be broken down and set up in a smaller configuration.

The bookcase is not attached but is just sitting on the top of that section of cabinets.

PS The black desk chair is part of the gift!
