President's Message

Thanks to everyone who attended our first chapter meeting at Admiral Baker Clubhouse last month. If you were not there you missed out on some great food, speakers Nicole McNeil and Mary Ann Downing talk about how valuable the IPSSA donation has impacted teaching a life skill of swimming to dozens of people, and then topped off with a huge raffle of two pool cleaners and multiple cases chemicals and product given away.

This month remember that Blue cards are due. Thank you to all sick leave covering members who stepped up in helping one of our members that was out for a little over a month. One of the reasons we all joined IPSSA was knowing that if something happens to us physically or health wise, we have fellow members to step up for us until we can get back on our feet. So it goes without saying that this generally our busiest and sometimes our most challenging time of year. Make sure to take

care of yourself - sunscreen, hats, drink plenty of fluids.

If you are struggling with algae or any other chemistry or equipment issues, reach out to someone in our chapter.

If you are not sure who to talk to, ask me and if I do not know the answer, I will be sure to direct you to the right person or point you in the right direction.

I look forward to seeing as many of you at the meeting as possible. Adam has done a great job providing us with some guests that can help teach us something new. And we will have refreshments and a raffle. Good luck.
