JUNE

SAN DIEGO CHAPTER MONTHLY NEWSLETTER

2018

*June 20 General meeting:
Mark R. Lane of Pentair & Rob of Leslie's Pool Supply will be Speaking*

*Blue Cards are Due by the July 20th Meeting.
Online submissions - <http://www.ipssasandiego.com/bluecard.html>*

President's Message

Summer is here! The weather is warm, and the pools are being used. It's our time to shine! It's our opportunity to remind our clients why they put so much faith in us as pool service professionals!

I hope you are planning to attend our June general meeting. Our good friend Mark R. Lane from Pentair will be there to talk about some new products and services. We will also have our raffle, door prize, and the exchange of information you can only get as a member of our chapter. If you haven't been to a meeting in a while... here's your chance to make amends (and avoid a fine...!)

Looking ahead in the coming months, there are some great personal growth and education opportunities for our members. In July we will offer CPR training. We are negotiating with Dan

from Zodiac to offer a tour of the Jandy facility in Vista for members who might be interested. Our "Summer Break" event will be held in August. Be sure to check the Skimmer for more details.

On a serious note... The recent tragedy involving the drowning death of Olympic Skier Bode Miller's young daughter reminds us, yet again, of the importance of pool safety. Drowning does not discriminate. Drowning can affect any family, any-time, anywhere. Prevention and good safety practices are the best ways to reduce risk.

See you on June 20th at Admiral Baker Golf Course!

Tile Cleaner

- ▶ *Removes Hard Water Calcium Deposits & Atmospheric Stains*
- ▶ *Helps to Restore Color*
- ▶ *Deep Clean Pool Decks*

- ▶ **Extremely effective Horizontal and Vertical cleaning**
- ▶ **Deep cleans the surface, protecting it against re-growth for months at a time**
- ▶ **Safe and non-hazardous to children and pets once dry**

LSB Tile Cleaner is designed for the safe and effective removal of mortar smears from masonry surfaces and surrounding materials on new construction as well as hard water scale build up.

Removes ground in Atmospheric dirt from all masonry substrate, including brick, stone, synthetic stone, precast, architectural and colored block, concrete materials and patios.

Fast and easy application:

Liberal apply LSB Tile Cleaner onto affected surface using a pump sprayer, agitate with stiff brush. Low pressure or pressure wash to rinse. For stubborn stains repeat process.
