*It is with sadness we say goodbye to Bill Peck, who passed away
 peacefully on 8/8/18 surrounded by family and friends.*

President's Message

I first met Bill Peck when I was a prospective member of IPSSA. He was the Vice-President of the chapter. He was the one I needed to listen to if I wanted to be accepted as a member of this chapter. Not since I had served in the military had I taken anyone so seriously. His dedication to the rules and bylaws of our chapter...and the larger IPSSA organization...was obvious. When Bill told me to prep for the chemistry test, I studied as hard as I did when I was in college. When he told me to have ALL my yellow cards filled out by my third meeting, I filled them out. There was no way I was going to face him having not done this! After I was voted in as a member I continued to look to Bill as a role model in our chapter. I knew I could go to him with questions. Not only was he knowledgeable, he knew how to disseminate his knowledge to pool guys like me. When I was serving as chapter secretary I made sure to listen carefully and take detailed notes

when Bill spoke at our meetings. We all listened whenever Bill spoke. We understood that he knew his stuff.

As the years went by I saw another side of William Peck. I saw how much he hated government overreach as it applied to our profession. I learned of his quiet yet passionate faith. I saw how he would debate guest speakers, no matter how arrogant, and win! I saw his disdain for what he felt was the lowering of our standards with regard to accepting new members. I saw how he never spoke disrespectfully to anyone, ever. He continued to be a role model for me...for all of us. There will never be another one like him.
