## President's Message

What are you thankful for? Personally, I'm thankful for friends, family, the support of my colleagues, my health, and modern medicine. I'm also grateful that we've (almost) made it through another year! This Wednesday, the 21st, our general meeting will be held as usual. We will be in a different room, closer to the entrance near the bar, but we'll still have a guest speaker and raffle at the end. I realize that it's the day before Thanksgiving, but if you're in town please consider attending.

Please make plans to attend our annual Christmas party on December 8 also. Our entertainment committee members are working hard to make sure this year's party is a fun filled event that you won't want to miss!

A lucky group of us recently took advantage of the opportunity to visit and tour the Zodiac plant in Vista. We saw the assembly area where the newest line of Jandy heaters are made. We saw the tanks where they test the newest cleaners. We met the dedicated technicians who answer our calls. I was impressed by the professionalism and high quality of the whole operation.

Looking ahead, please make plans to attend the Table Top show in January 2019. There will be education opportunities, raffle prizes, and informative exhibits on the show floor. Look for information flyers soon at all the usual locations.
