Blood Drive is on for June – You must make a reservation with the SD Blood Bank for Sat. June 20 at East County about 9am Meet at Lemon Grove Café at 8am for a chapter sponsored breakfast use Donor Code IPSSA – Blood supplies are low!

President's Message

Hello Fellow Members and Supporters,

I hope all is well with you, your families, and your business. The swimming season started early as a result of the stay at home order with schools being closed as well. With beaches closed, warm weather, and most other options not available, that swimming pool in the backyard has been a main focus of entertainment. As a result, the phone has been ringing like never before at this time of year.

Thank goodness we have been considered essential by the government and allowed to carry on uninterrupted. Thankfully as well, our suppliers have remained open and dedicated to providing us with what we need to run our businesses. We are fortunate as an industry during these difficult times to be able to flourish while so many other

businesses are shut down, may not return, and are forced to furlough so many workers. Many of the unemployed may remain so for quite some time as the nation recovers from this unprecedented period.

Please continue to be safe and healthy and do your best to avoid contracting this dangerous virus that has claimed so many lives. Take all the necessary precautions to maintain a healthy lifestyle.

The Chapter Board has continued to meet on a monthly basis in a safe environment but the Chapter's monthly general meetings are still on hold until we have the clearance from the government and the Admiral Baker facility allowing a large group to meet and mingle. We are hopeful it is soon. All the best and stay safe,

Mark T. Curran

June Board Meeting

Wednesday 6/3/2020 7:10 pm

Attendees: Mark Curran, James Morketter, Gary Roberts, Fernando Chavez...

There was a \$2,400 profit from the directory... nice bonus, thanks Gary Roberts for chapter supporter involvement....

There will not be a June general meeting...by next board meeting we might know if we will have general meetings for July / August....discussing for upcoming meetings ..
If needed we can move dinner meeting from August to another month..

We still have filters w/backwash valves available for sale at a discount price that have been donated to us from Pentair, no limit on purchases ..

We will be encouraging chapter supporters to be involved with webinars presentations..
We encourage members to participate in webinars to help with their education points..
Gary Roberts will reach out to supporters to promote the webinars.. Thanks Gary..

Discussed about supporting CPSA..we stopped 2 years ago due to low membership of our chapter..
We as the board are in favor of supporting the CPSA for \$50 per member which would be about \$3500 from the chapter...we do want general meeting feedback from the members to decide on a decision on the support that makes sense and affordable..

Mark Curran will be calling members to just say hello since we have had no interaction due to the non meetings...idea was presented about maybe holding smaller group meetings in a alternative location..

Sick leave report/No one is out sick at the moment...

All chapter committees are active....

Meeting adjourn 7:45pm

IPSSA SAN DIEGO CHAPTER CONTINUING EDUCATION

General
Meeting
June 17, 2020
CANCELLED

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at www.cdc.gov/coronavirus/2019-ncov/php/water.html. For more information about CDC’s recommendations for proper operation, maintenance, and disinfection of public pools, visit www.cdc.gov/healthywater/swimming/aquatics-professionals/operating-public-swimming-pools.html.

Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

Sincerely,
Kristie Riestler, Executive Director
The Council for the Model Aquatic Health Code

Filters ! Filters ! Filters ! ONE LEFT!

Once again because of the many purchases of Pentair Products by the San Diego IPSSA Chapter and the continuing generosity of Pentair Products (Mark R. Lane) we have filters to sell to our members to help fund our Continuing Education Program.

This year we made enough purchases of Pentair products to receive 7- FNS 60 sq. ft. DE filters with BW valve.

- The Chapter will sell the filters at a 20% discount.
- Each filter and BW valve will be sold for \$650.00.

To make every one’s life easier, Pentair (Mark R. Lane) has sent me Vouchers for us to sell for redemption for the filter/BW valve at any of the wholesale suppliers where you shop.

Contact Jon McArthur at 619 672-3760 to arrange to purchase a voucher OR bring a check for \$650 made out to San Diego IPSSA to the next meeting.

Zodiac is offering online Classes – get educated and earn get Continuing Education Points

Education Reimbursements -
