## President's Message

Hello fellow IPSSA Members and Chapter Supporters,

The busy swimming pool and spa season is approaching which is silly to say since we've been busier during this pandemic for the past six months than a normal active summer swimming season. So I imagine it will be crazy busy this summer. Let's hope our manufacturers and suppliers can keep up with the demand and provide us with the chemicals and products we will need in the months to come.

Speaking of chemicals, I'm sure you've noticed the significant rise in cost of chlorine, acid, tabs, and just about everything else. Be sure to adjust your pricing to accommodate the increase to your business overhead.

As more and more of us are getting vaccinated, the possibility of having an in person IPSSA General Meeting is improving. We have continued to be in contact with Admiral Baker Golf Club about hosting our meetings and there is a chance we will be able to schedule a July meeting. We will keep you posted. In the meantime we will continue to have a SD General Meeting via Zoom on the usual third Wednesday of every month at 7:00 PM. As a reminder, Chapter Members are required to attend at least one General Meeting per quarter or incur a fine of \$150.00. The Board does not want to fine anyone, so please attend a meeting or two every quarter. The next SD General Meeting is this Wednesday the 21st at 7:00 PM. You could win cash prizes, automatic pool cleaners, gasoline cards, etc. Our Chapter Supporters have been very generous by providing gifts to enter into our

raffle at the end of each meeting. Thank you again to all of our generous Chapter Supporters!

An updated and revised version of the Chapter's Sick Leave Rules has been produced by Jon McArthur and Paul Grimes along with the Chapter Board over the past several months. The Draft is below. We welcome input.

<http://www.ipssasandiego.com/2104sickleaveproposal.pdf> and needs Chapter discussion/approval and IPSSA Inc. approval.

As part of the rules, a reminder, Blue Cards are due this month by the 21st. Please be sure to get your Blue Card in by this Wednesday or you will incur a fine. And like I said earlier, the Board doesn't want to fine anyone, so please get your Blue Card turned in on time.

ATTENTION ALL MEMBERS, especially those that haven't served on the Board. It is time for you to step up and serve on the Board. No more excuses, we've heard them all over the years and enough is enough. There will be a nominating committee contacting those of you who haven't served and you will need to decide which Board position you would like to occupy (President, Vice President, Secretary, Treasurer). I want at least two nominees for each position for the Chapter Members to vote on at the October Mandatory Meeting. So clear your schedule for the third Wednesday in October now and prepare your future schedule to give back to this great Chapter that has served you well over many years.

All the best,

Kind regards,

Mark T. Curran

**Chapter Supporter Advertising**

Due to the pandemic person to person contact at our meetings has not happened. While we have phones and e-mail for members and Chapter Supporters to stay in touch, it's just not quite the same. We are offering our chapter Supporters a free half page ad during the pandemic. Chapter Supporters are a huge part of the chapter. We have many professionals that provide expertise and quality referrals for your customers. Please think of our chapter supporters first when it comes to referral for your customers.

Servicing member is not required to service more than twice a week on sick leave pool.

Pentair will host plenty of webinars coming up to receive education points. Admiral Baker will not open in June but maybe open in July. Zoom meeting for April general meeting . We will need to appoint from membership roster a nominating committee for upcoming October elections.

Chapter supporter renewals going good, only 3 outstanding renewals needed.

Board discusses the unhappiness of members not having the paper version of the IPSSAN, we will contact Rose on this issue.

There are 9 members that qualified for the \$300 for turning in their education points early. Next early due date is now till June 1st for \$200

# IPSSA SAN DIEGO CHAPTER CONTINUING EDUCATION

General Meeting  
Zoom meeting  
April 21, 2021 7pm

Continuing education is still alive and well in the Chapter. Many of the manufactures are offering online classes that members can take to complete their required 10 points they need of Cont. Ed. every 2 (two) years. Those points are due 12/31/2021, that's the end of next year. So far I have 1 (one) completed form turned in. There are online classes offered that the chapter will pay for to help members further their company. One member just completed his contractors license classes and passed his test, congratulations. The chapter just sent him a check for \$1195.00 to cover the cost. Don't forget we have money in the Education Fund and it is there for our members to use.

Jon McArthur

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at [www.cdc.gov/coronavirus/2019-ncov/php/water.html](http://www.cdc.gov/coronavirus/2019-ncov/php/water.html). Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

  - Plaster Delamination (plaster loss), Hollow Spots, and Calcium Nodule Removal
  - V.G.B. Pool and Spa Safety Act Retrofit:
