July General Meeting in-Person: Admiral Baker Clubhouse 7/21/21

David Hawes Seminar at 5pm, Food will be served, Meeting starts at 7pm

President's Message

Hello Members and Supporters,

I am hoping all of you can find time to attend our July general membership meeting on the 21st. We have the rare opportunity to have David Hawes be our featured guest for the evening. Joe Lukacik from the East County IPSSA Chapter has arranged to fly David down from the San Francisco Bay area and not only speak at our meeting but perform a two hour seminar prior to our meeting that will give our members an opportunity for two education points toward their Chapter Continuing Education requirements. The seminar at Admiral Baker will begin at 5:00 PM. This meeting is open to all Chapters in the Region 7 area and we hope to see representation from all of them. Food will be provided by our Chapter for everyone, including Chapter Supporters and guests. And, of course, the bar will be open serving cocktails for your pleasure.

Please continue to be vigilant regarding child safety and drowning prevention. Keep a close eye on all things related to preventing unnecessary drownings. Make sure fences are closing properly, automated covers are operating correctly, vac-lock wall fittings are installed, etc., etc., etc.

Also, don't forget that the October General Mandatory Meeting is this October 20th. Set your vacation trips around this date because we will need all of you to attend this meeting. No excuses.

Elections will be held that evening for the 2022-2023 Chapter Board positions along with photos being taken of all Chapter Members and Chapter Supporters for the new Chapter Directory that we produce every two years.

I am looking forward to seeing all of you this month for what should be a special Chapter meeting.

Kind regards,
Mark

Chapter Supporter Advertising

Due to the pandemic person to person contact at our meetings has not happened. While we have phones and e-mail for members and Chapter Supporters to stay in touch, it's just not quite the same. We are offering our chapter Supporters a free half page ad during the pandemic. Chapter Supporters are a huge part of the chapter. We have many professionals that provide expertise and quality referrals for your customers. Please think of our chapter supporters first when it comes to referral for your customers.

JUNE GENERAL MEETING6/16/2021

DINNER 6:30 - 7:00

MEETING 7:00

First in person meeting in over a year and a half.

BOB MILLER LEAD US WITH THE PLEDGE OF ALLEGIANCE.

JIM BRADBURY called to send the chapter good wishes and say hello he was not physically able to attend tonight's meeting .

We will continue in person meetings going forward third Wednesdays of the month. We might have David Hawes come speak at our July meeting starting at 5pm. Members from other chapters will also be invited to attend. 2 Educational points will be given for attending his seminar before the meeting. David Hawes served as the president of the B.O.R.D.

We will have food served at all remaining meetings this year but Admiral Baker is not ready to have buffet style sit down dinners yet, hopefully soon they will be able to.

Zoom meetings went well. The sick leave rules have been revised and are on our website and we will ask for approval from members at our mandatory October general meeting to go into our standing rules of the chapter and also B.O.R.D. approval. We would like to thank Jon McArthur and Paul Grimes for their hard work they put into revising the new sick leave rules.

Elections will be in October, the nominating committee will be James Morketter, John Rumble, George Ludwig, Adam Haynes and Phil Gardiner. Their goal is to have at least 2 people per position to be voted on per position. If you have not served on the board we would like you to step forward and put your name down for one of the positions. Also a new directory will be produced in October so if you want a new picture taken for it you will be able to at the mandatory meeting.

Sick leave coverage: 3 coverages have been completed successfully, thank you to all members that served on a sick leave pool.

Secretary report: minutes for May general and June board meetings have been approved.

Treasury report: we are doing good financially around \$25,500 in general fund and \$45,000 in education fund. Education fund will pay up to \$1000 for your contractor's license and for seminars and travel to the seminars. There is money there for reimbursement.

Vice President Report: thanks to Gary Roberts for organizing the food bank donations. Chapter supporter form will be available from an email to make it possible for supporters to make any changes to their profile and also pay on line with a credit card. Another project is for the pool pro website to be redesign to help in getting new customers for the members and have chapter supporters also be added to website.

 Russell Kennedy - rep for united chems, JJ lighting
 Brianna - SCP
 Matt - SCP @ Copley Dr

Manufacturer reps will also be contacted to ask them about putting on seminars for points. Any questions call Jon McArthur . If David Hawes attends next month's meeting to speak it should start at 5pm for a 2 hour seminar for 2 points. \$200 for those who turn in their 10 points by the end of this month. We will plan on having the table top for next year on Saturday the 29th of January.

JULY BOARD METTING JULY 7,2021 8PM

ATTENDEES ; MARK CURRAN, JAMES MORKETTER, JIM BAUER, GARY ROBERTS, FERNANDO CHAVEZ.

David Hawes will speak before July general meeting from 5pm to 7 pm worth 2 points for those who attend. All Chapters from Region 7 are invited to attend the Seminar and General Meeting. Another seminar is planned at 6pm before the August meeting by Associate Member Chlorine Genie for one hour, worth 1 point and they will speak for 10 minutes during meeting.

Another box lunch will be served at the July general meeting. Still no buffet style sit down dinners for now, maybe in August or possibly a barbecue.

Nominating committee for upcoming elections are working on making phone calls to members. President will also be making calls. WE WOULD LIKE AT LEAST 2 NOMINEES FOR EACH POSITION. Also at October meeting we would like to ask the members what they think about changing start times for meetings according the season.

Vice president is working on a new webpage design for our pool service pros website to improve rankings for google searches and to make it more attractive for the public. Also maybe some type of press release once a year in the summer or ads. Also maybe some type of signs for our trucks. Goal is to have public know more about IPSSA.

Treasurer report: 3 members have received \$200 for turning in their 10 points this month so far. We have plenty of money.

All financial information has been sent over to IPSSA INC, like clock-work every time.

Thanks to Jim Bauer. Member count for the chapter is 67 members and 10 employees. There is a nationwide decline for IPSSA .

IPSSA SAN DIEGO CHAPTER CONTINUING EDUCATION

General Meeting
Admiral Baker
Clubhouse
July 21, 2021 7pm

Continuing education is still alive and well in the Chapter. Many of the manufactures are offering online classes that members can take to complete their required 10 points they need of Cont. Ed. every 2 (two) years. Those points are due 12/31/2021, that's the end of next year. So far I have 1 (one) completed form turned in. There are online classes offered that the chapter will pay for to help members further their company. One member just completed his contractors license classes and passed his test, congratulations. The chapter just sent him a check for \$1195.00 to cover the cost. Don't forget we have money in the Education Fund and it is there for our members to use.

Jon McArthur

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at www.cdc.gov/coronavirus/2019-ncov/php/water.html. For more information about CDC's recommendations for proper operation, maintenance, and disinfection of public pools, visit www.cdc.gov/healthywater/swimming/aquatics-professionals/operating-public-swimming-pools.html.

Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

Sincerely,
Kristie Riester, Executive Director
The Council for the Model Aquatic Health Code
