Blood Drive October 23: 8am Meet at Lemon Grove Cafe for Chapter Sponsored

President's Message

Hello Chapter Members and Supporters,

The time has come for our annual October 6:00 PM mandatory meeting at Admiral Baker Country Club.

This Wednesday's 6:00 PM meeting will be all about elections for the new Board of Directors, the vote for the B.K. Taylor Award, the vote for the David Courey award, the membership's approval of several motions that will shape the Chapter's future, and a few more important topics.

The Chapter Directory will be put together for another two year run so we will have a photographer taking photos for the directory for both Members and Supporters, so comb your hair and brush your teeth for the camera.

We will also be taking a collection for our Chapter's annual charity contribution for the swim fund that provides swim lessons for underprivileged children here in San Diego. All of the money that you generously donate goes directly to swim lessons. Please bring some extra cash to donate for this worthy cause. The Chapter will match what is

collected from your generous contribution at our meeting and IPSSA Inc. will also contribute as well.

Food will be served.

Reminder: the arrival time is 6:00 PM for this event and as mentioned food will be served.

Also, Blue Cards are due this month so be sure to take care of filling it out and sending it in before the meeting.

The early 6:00 PM start is to accommodate the large turnout and the extended check in process.

Please arrive at 6:00 PM so that we can get everything done in a timely manner and have you home at a reasonable hour.

We performed another successful sick leave coverage and we are relieved James Morketter has returned to work after a pulmonary embolism.

Looking forward to seeing all of you this Wednesday. Note, the member door prize has rolled over to \$500 and you must be present to win.

Kind regards,

Mark T. Curran

IPSSA SAN DIEGO CHAPTER CONTINUING EDUCATION

General Meeting
Admiral Baker
Clubhouse
Oct. 20, 2021 6 pm

Continuing education is still alive and well in the Chapter. Many of the manufactures are offering online classes that members can take to complete their required 10 points they need of Cont. Ed. every 2 (two) years. Those points are due 12/31/2021, that's the end of next year. So far I have 1 (one) completed form turned in. There are online classes offered that the chapter will pay for to help members further their company. One member just completed his contractors license classes and passed his test, congratulations. The chapter just sent him a check for \$1195.00 to cover the cost. Don't forget we have money in the Education Fund and it is there for our members to use.

Jon McArthur

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at www.cdc.gov/coronavirus/2019-ncov/php/water.html. For more information about CDC's recommendations for proper operation, maintenance, and disinfection of public pools, visit www.cdc.gov/healthywater/swimming/aquatics-professionals/operating-public-swimming-pools.html.

Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

Sincerely,
Kristie Riester, Executive Director
The Council for the Model Aquatic Health Code

I hope this finds all of you safe and healthy. It has been a banner year in the pool industry, something for which we are all grateful. My manufacturers continue to do a great job with the current challenges and we are here to help you with your projects. I appreciate your ongoing support very much, and hopefully we can all get together soon!

A 80+ year history of supplying coatings for the pool industry: pools, ponds, fountains, and soon to be released SLIDES (and even filter lids)! Local distribution in the Los Angeles area. Any need to locate product, call me and I will assist you! Previously concentrating in the municipal and waterpark markets all over the country, Ramuc is a fabulous company to work with in this industry!

POOL TIGER Pool Tiger is the most innovative solution to maintaining the quality of your clients' water. You can expect crystal clear water, lower to no calcium deposits. Existing deposits will dissipate over time with use. The cost and ease of maintenance of your pools will be significantly improved. There is a special promotion right now, direct to you, \$395. It will not be going through distribution, at least for now, so take advantage of this special pricing while you can! There is a 60 day money back guaranty and a five year warranty.

EZ+STAIN EZStain is an inexpensive, durable way to update the look of any pool deck and rock features. It is a water-based acrylic stain, with outstanding colors which can't peel or flake. Easy application, the colors can be mixed *and* the manufacturer is a local San Diego company. If you don't want to add this to your skillset, I can help you locate an applicator.

Please let me know if you need any help with your projects. Thank you for your ongoing support. Stay safe! Hope to see you all soon!
