President's Message

We have our last General Meeting of the 2021 calendar year this Wednesday evening, 7:00 PM, at Admiral Baker Country Club and would like to see you attend. We know you just attended the Mandatory October Meeting a few weeks ago, but it would be nice to see all of you again as the Board of Directors will be stepping down at the end of the year and the new Board will take over January 1st. Stop by and hang out for a while, enjoy a drink from the bar, and shake a few hands.

Due to COVID we did not get to experience the activities that the Chapter normally organizes throughout the past two years. So, thanks to the Entertainment Committee, we have a special Holiday Party Celebration scheduled for December 4th at the Bahia Resort at Mission Bay. It will be an afternoon and evening filled with fun, food, drinks, music, entertainment, shenanigans, camaraderie, and more fun. The new Board Members will be introduced and

spouses, significant others, guests, or friends are invited. If you would like to attend we would love to see you. There is no cost to attend. It will be very helpful to have an idea of how many people will be attending, so let the Entertainment Committee know of your RSVP to Briana at 619-971-4234. Looking at the list of those who have already reserved rooms at the Hotel, it is safe to say there will be dancing, drinking, fighting, fornication, and much laughter. What better way to say goodbye to the end of the pandemic. If you haven't made your Hotel room reservation, do so asap to capture the discounted rate.

We hope to see all of you there to celebrate the beginning of the Holiday Season.

Kind regards,
 Mark T. Curran

IPSSA SAN DIEGO CHAPTER CONTINUING EDUCATION

General Meeting
Admiral Baker
Clubhouse
Nov. 17, 2021 7pm

Continuing education is still alive and well in the Chapter. Many of the manufactures are offering online classes that members can take to complete their required 10 points they need of Cont. Ed. every 2 (two) years. Those points are due 12/31/2021, that's the end of next year. So far I have 1 (one) completed form turned in. There are online classes offered that the chapter will pay for to help members further their company. One member just completed his contractors license classes and passed his test, congratulations. The chapter just sent him a check for \$1195.00 to cover the cost. Don't forget we have money in the Education Fund and it is there for our members to use.

Jon McArthur

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at www.cdc.gov/coronavirus/2019-ncov/php/water.html. For more information about CDC's recommendations for proper operation, maintenance, and disinfection of public pools, visit www.cdc.gov/healthywater/swimming/aquatics-professionals/operating-public-swimming-pools.html.

Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

Sincerely,
Kristie Riester, Executive Director
The Council for the Model Aquatic Health Code
