President’s Message

Hello Chapter Members and Supporters,
Happy Thanksgiving and Happy Holidays.

I hope all of you had a chance to catch your breath and spend some quality time with family and friends during the past weekend. The Holiday season is here and this year it might feel a little more normal compared to the past year we experienced under the pandemic restrictions. I want to state that I’ve been honored and privileged to serve as your President over the past two years. It certainly has been a two year period unlike anything in the history of our Country. I want to thank the Board Members who persevered during the scary uncertain times and remained committed to serving the Chapter by performing their duties and meeting in person for the monthly Board Meetings outside in my backyard. They missed out on the only perk that Board Members receive, which normally would be a nice dinner paid for by the Chapter at the monthly Board Meeting. Instead they remained committed to serving the Chapter by leaving the comfort of their home and family to meet each month and make sure that the Chapter’s needs were being met. Thank you again to Past President James Morketter (this year’s B.K.

Taylor award winner), Vice President Gary Roberts, Secretary Fernando Chavez, and Treasurer Jim Bauer. It was a pleasure working with all of you.

As a Chapter we missed out on so much of our usual social in person interaction during this two year term, general meetings, picnics, Holiday Parties, to name a few. I’m happy to say that our Entertainment Committee consisting of Briana Cavasino (this year’s David Courey award winner), Adam Haynes, and Austin Gardiner have organized a fantastic Holiday/Installation Dinner Party for the Chapter Members and Chapter Supporters. It is being held at the Bahia Resort at Mission Bay and is open to Members and Guests, Supporters and Guests, and Honorary Members and Guests. So please spread the word and encourage everyone to attend. It will be a fabulous evening and a great way to put the difficult times we’ve lived through behind us.

Hope to see all of you there.

Kind regards,
Mark T. Curran

IPSSA SAN DIEGO CHAPTER CONTINUING EDUCATION

General Meeting
Admiral Baker
Clubhouse
Jan. 19, 2022, 7pm

Continuing education is still alive and well in the Chapter. Many of the manufactures are offering online classes that members can take to complete their required 10 points they need of Cont. Ed. every 2 (two) years. Those points are due 12/31/2021, that's the end of next year. So far I have 1 (one) completed form turned in. There are online classes offered that the chapter will pay for to help members further their company. One member just completed his contractors license classes and passed his test, congratulations. The chapter just sent him a check for \$1195.00 to cover the cost. Don't forget we have money in the Education Fund and it is there for our members to use.

Jon McArthur

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at www.cdc.gov/coronavirus/2019-ncov/php/water.html. For more information about CDC's recommendations for proper operation, maintenance, and disinfection of public pools, visit www.cdc.gov/healthywater/swimming/aquatics-professionals/operating-public-swimming-pools.html.

Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

Sincerely,
Kristie Riester, Executive Director
The Council for the Model Aquatic Health Code

Previously concentrating in the municipal and waterpark markets all over the country, Ramuc is a fabulous company to work with in this industry!

POOL TIGER Pool Tiger is the most innovative solution to maintaining the quality of your clients' water. You can expect crystal clear water, lower to no calcium deposits. Existing deposits will dissipate over time with use. The cost and ease of maintenance of your pools will be significantly improved. There is a special promotion right now, direct to you, \$395.
