President's Message

Welcome everyone to the second quarter of this year, yes you can believe it, we are already into April, no April fools joke. I trust the warehouse supply distributors are preparing consistent deliveries for our businesses to remain profitable and without disruption during these upcoming months. I understand there are still some supply chain issues that are being dealt with and our clients seem to be very understanding to that regard. On another positive note, we are finally seeing gas prices reduced at the gas pump to reduce our expenses. Mark Flemming had his surgery and is recovering well. Thank you everyone for servicing his pools and keeping his business alive. This is a huge benefit of becoming an IPSSA member and I am proud to help our members during these times! And thank you to the

sick leave committee for the hard work that goes into making this a seamless transition to help our fellow members.

There is a move to prepare a method of notifying each of the IPSSA members if someone is looking for parts or a service that would benefit other members. More to follow...

In an effort to help provide our members with opportunities to gain continuing education points, we will be releasing a San Diego Pre-Meeting Education Class Survey. This survey will provide the continuing education committee methods to hold classes before the general meeting on types of classes members would like to attend.

General Meeting, Wednesday March 16, 2022

- Meeting started at 7:03 PM, ended at 8:28 PM
- Jon McArthur spoke about continuing education. Members are not taking advantage of the education fund. Each member can receive \$1,200 per year plus \$600 per employee up to two employees. Education does not reimburse for hotel rooms at the Western Pool and Spa Show. Jon wants everybody to read the standing rules. And everybody to look at sick leave rules. Went over the website and showed how to fill out forms.
- Big discussions about the Christmas Party. Chapter members will decide if we are having Christmas Party this year. The Party Planning Committee would like the decision by June. So, they have time to plan.
- Membership is dropping, but we are doing fine financially. Paul Grimes looked up financial record from ten years ago we had a total of \$30,000 in the general fund and \$18,000 in education. Compared to now \$18,000 in general and \$41,000 in education.
- Mike Harris Region 7 director talked about different insurances. Members have the option to use other companies if it fit their needs. Also spoke about the Western Pool & Spa Show. Said there were a lot of new classes, products and information.
- Blood Drive will be April 23, 2022, at 8:00 AM at Lemon Grove Café.

- Board discussed Jon McArthur's Idea about utilizing the full 5:00 to 7:00 time we have the room before general meetings by having Educational Speakers and Demonstrations. Everybody agreed and thought it is a good lead to more members attending.

General Meeting
Admiral Baker
Clubhouse
Apr. 20, 2022, 7pm

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at

www.cdc.gov/coronavirus/2019-ncov/php/water.html. For more information about CDC’s recommendations for proper operation, maintenance, and disinfection of public pools, visit

www.cdc.gov/healthywater/swimming/aquatics-professionals/operating-public-swimming-pools.html.

Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

Sincerely,
Kristie Riester, Executive Director
The Council for the Model Aquatic Health Code

Upcoming Education Opportunities:

At our April 20 Meeting we will be having a speaker talk to us about other options for our insurance.

She is Norma Villafranca with CPA/inszone insurance.

Some of you may already be using this company but for the rest of you this maybe a way to save money.

NOTE:

New year and a new chance to get EDUCATED. Maybe this is the year you decide to get that contractors license, learn how to fix heaters, install automation or make yourself a better business person. The Continuing Education Fund has the money to help. You can get up to \$1200.00 a year to help further your business. The San Diego Chapter created this fund to help its Members improve themselves and their business.

The Chapter requires all its Members to complete 10 hours of education every 2 years so why not attend some new classes, trade shows or seminars to improve yourself and your business and get paid for it.

It is early in the year but 1 of our Members has already completed and turned in his form, maybe you could be the next one.
