“Holiday by the Bay” Installation Dinner & General Meeting December 10, 2022

- Start time 6:00 pm Ended 11:00
- The general meeting was held during the holiday party. Kept the meeting short and sweet, so we could all enjoy the evening.
- The swim fund check was presented to the City of San Diego Parks and Recreation Department. The money will be helping the 5th graders at The Rosa Parks Elementary, learn how to swim.
- We want to thank all who attended and enjoyed what the night had to offer. For all that didn't attend, you missed out on great food, fun activities, good company, and lots of give aways!
- Mike Harris won \$50.00 from the rollover raffle. Mark Middledorf won the \$25.00 member raffle.
- Board members in attendance Ken Dirkse, Jim Bauer, Josh Parks and Dylan Bray.
- Special Thanks To Briana Cavasino, Adam Haynes and everyone else who helped pull off a fantastic evening!

Board Meeting, Wednesday January 5, 2023

- Start time 7:12 pm ended 8:35 pm
- Table Top January 28, 2023. At the Four Points Sheraton. Seminar will start at 8:30am. Board discussed getting VP Josh Parks a credit card reader to make it easy to sign up new chapter supporters.
- Discussed the Regional Meeting and who will be attending along with Mike Harris and Ken Dirkse. Josh Parks and Dylan Bray volunteered. Dylan will be attending this quarter and Josh the following quarter.
- Board discussed possibly raising membership fees. IPSSA National is currently at \$13.75 and our member fees \$17. It was discussed to raise membership fees to \$25. This would have to be voted on during the October mandatory meeting or a mandatory zoom meeting before October.
- The question was asked why the need for the increase in fees. It would be due to the high cost of everything. Our venue at Admiral Baker is being raised. We would also like the ability to keep having all the events that we throw. We also discussed cutting back on the Holiday Party. We will continue this discussion at the next board meeting.
- Board Members that were in attendance, Ken Dirkse, Josh Parks, Jim Bauer, Mark Curran and Dylan Bray.

General Meeting
Admiral Baker
Clubhouse
January 18, 2023, 7 pm

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at

www.cdc.gov/coronavirus/2019-ncov/php/water.html. For more information about CDC’s recommendations for proper operation, maintenance, and disinfection of public pools, visit www.cdc.gov/healthywater/swimming/aquatics-professionals/operating-public-swimming-pools.html.

Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

Sincerely,
Kristie Riester, Executive Director
The Council for the Model Aquatic Health Code
