President's Message

Welcome everyone to March our last meeting for the quarter. I see there are several members that have not attended January or February meetings so I expect a great turnout. We are facing an enormous load on our proud benefit to cover people out on sick leave and I am grateful for everyone contributing to keep our fellow members' businesses alive. As I am sure most of you have heard, we recently lost Mike Pimentel to a loss of life. We have just learned his brother has made arrangements for the pools to be covered outside of our Sick Leave Program. Thank you everyone for being ready to cover his accounts!

We have Triton Water Renewal as our guest speaker this month, and encourage

your attendance. All chapter supporters are welcome to attend and represent your products and services for IPSSA to promote to our clients.

The entertainment committee and all Chapter Presidents have begun planning for another outstanding event for Region 7 picnic in May.

Ken Dirkse

Apr 19, 2023	General Meeting	7pm	Admiral Baker Clubhouse	Attendance Satisfies Meeting Requirement

General Meeting February 15, 2023

- Meeting : 7:00 pm - 8:35 pm
- Ken Dirkse opened the meeting with how gas prices are on the rise. Ken mentioned that Mark Middledorf is doing better. Ken was pleased with the turn out and the quality of classes at Tabletop. Also made mention that you have to attend 1 meeting a quarter to avoid fines.
- Mike Harris had no news on Region 7.
- Paul Grimes sick leave co-chair discussed that Mark Fleming is having an issue with his hip, and will be going out. Everyone should expect another pool. Tom Richardson is having issues with his shoulder. He is going to PT and working through it. Paul ended his report that we aren't invisible. That's what's great about having people willing to cover your pools if needed.
- Jon Mc Arthur of the continuing education committee talked about the need for more yellow cards. The cards are printed through IPSSA inc. We can print our own version, if we decide to. He believes that all members should have 20 or 50 yellow cards on hand. Fill one out for every new pool and any changes on current pools. Jon said that you can get reimbursed for any chemicals used on sick leave pools. Keep a record of chemicals, dates and prices. Jon hopes that everyone is attending the Pentair Seminar. Please don't forget to turn in your forms to be reimbursed. Jon and Mike are offering a CPR class. You must reserve a spot, significant others are welcome. Details are still being worked out for the event. Jon is still looking for guest speakers and will be asking chapter supporters to speak, might have a pool broker as a speaker. Jon encourages everyone to use the continuing education fund, for your benefit.
- Make note Western Pool and Spa show will be held March 23, 24 and 25. If you want to go and walk around, continuing education will give you \$250 reimbursement. They will also reimburse you for classes.
- Adam Haynes wants to remind everyone about the Blood Drive. 8:00 am at Lemon Grove Cafe for tricks of the trade breakfast. Then 9:00 am to 10:00 am at El Cajon Blood Bank. If this time is not a convenient time call to make an appointment, use code IPSA.
- The Party planning committee would like a headcount for the Holiday Party. Spoke about the Region 7 picnic that will be held at Santee Lakes May 13th. Food will be catered, lots of fun events planned.
- Paul gave an update on Web Design. The Website is ready to go. Paul gave a demonstration on how it works. Expecting the cost to be \$11 a month the first year and \$25 a month the second year.
- Josh Parks shared a video from his website on the importance of pool safety. It showed how a professionally installed fencing and gates can save lives, and the importance of maintaining them. He also has a video on how to adjust gate latches. Go to his website www.poolfencesocal.com.
- Mike Anderson's chip was drawn for the \$100 rollover raffle. He was not in attendance, the rollover is now \$150. James Morketter won the \$25 raffle.

Board Meeting March 2, 2023

- Start time 7:10 pm ended 9:15 pm
- Meeting opened with talk about sick leave. Mark Fleming will most likely be going out 3/13. Paul will be assigning yellow cards. Please pick when cards are available.
- Ken brought up that Jon Baldwin wants yellow cards updated. The card that Jon gave Ken was an outdated version. The latest one received from Mark was an updated version. We are looking into printing new cards. We are open to any recommendations on improving cards. Ken is looking into the cost of yellow cards. Every member should have them filled out.
- Triton Water Renewal will be the guest speaker at the March meeting.
- A Zoom Meeting will be held on 3/6/2023. For the Region 7 picnic, Josh and Ken will be in attendance.
- Discussed, the Holiday Party the board is thinking about sending a survey. We want opinions on whether we should scale back or have one every other year. Also inquiring about new ideals.
- The entire Board is going to help with collecting outstanding payments from Chapter Supporters.
- Remember if you haven't attended a meeting this quarter, attend the March meeting to avoid fines.

From Kenny Childs

Make more money!!!

Hi, it's that time of year we're I work on tightening my pool route. Save gas, time, wear an tear on your truck. Less driving more time on my hands, puts more money in are pockets. More time to clean filters, fix things.

Trying to trade my easy La Jolla pools, maybe some easy La Mesa pools for easy pools close to my house in Serra Mesa, or for Clairemont pools. We do each other's pools in the winter for a few months see if we like the pools, see if we like the clients. See how much time it saves us. Then we make a decision to let the client know we're getting out of the area and you are familiar with the pool nothing is changing but who you get your bill from.

Please call Kenny Crystal Clear Pools Inc at 619-992-9625 to save money and have time to make more money. Thanks

IPSSA SAN DIEGO CHAPTER CONTINUING EDUCATION

General Meeting
Admiral Baker
Clubhouse
March 15, 2023, 7 pm

The CDC has released [guidance on COVID-19 and water transmission](#), including information on recreational water transmission. We encourage you to share this information with your organizations and others who may have questions about COVID-19 spreading through water.

Specifically, the CDC guidance states:

“There is no evidence that COVID-19 can be spread to humans through the use of pools and hot tubs. Proper operation, maintenance, and disinfection (e.g., with chlorine and bromine) of pools and hot tubs should remove or inactivate the virus that causes COVID-19.”

This guidance and other water-related guidance can be found at

www.cdc.gov/coronavirus/2019-ncov/php/water.html. For more information about CDC’s recommendations for proper operation, maintenance, and disinfection of public pools, visit www.cdc.gov/healthywater/swimming/aquatics-professionals/operating-public-swimming-pools.html.

Our thoughts are with everyone who has been impacted by this outbreak so far. We will continue to update you as any additional CDC guidance related to recreational water and COVID-19 becomes available.

Sincerely,
Kristie Riester, Executive Director
The Council for the Model Aquatic Health Code

I, the undersigned, waive any and all claims against IPSSA, Inc, IPSSA Management Company, IPSSA Chapters and/or its individual members, arising out of my participation in the IPSSA Sick Leave Program, including, but not limited to claims for lost income resulting from improper maintenance performed by IPSSA members. I have read and understand the standing rules for the Sick Leave Program and agree to participate in that program.
